

FDR Band Order Forms

Congratulations on your membership in the FDR Tiger Band. I can't wait for us to get started making music. There are a few items that you are ask to purchase. Just like in elementary school, you will need a lesson book. We will be using the *Standard of Excellence* series Book 2. The discounted cost is \$6. (we will be using the elementary book for the first few weeks, please bring that to class. I do not have school copies. If you need to, you may order a new one on this form.)

The second item you will need is an FDR Band concert shirt. This is the official uniform for all FDR Band and Chorus performances. The shirts are white polo shirts featuring the FDR Band or Chorus logo on the left chest (students in both groups only need one shirt). If you have a shirt from previous years, it is acceptable for you to use that shirt even though the logo may be different. The shirts will be delivered prior to our first performance. The books will be available immediately. Anybody with questions, concerns, or hardships should contact Mr. Gerhart or Ms. French.
